Manner of Collision:

The manner in which two motor vehicles in transport initially came together without regard to the direction of force. This data element applies only to crashes where the first harmful event involves a collision between two motor vehicles in transport, or a motor vehicle in transport and a parked motor vehicle.

Motor Vehicle in Transport: in a travel lane regardless of movement, or in motion anywhere within the trafficway

Angle, Front to Rear, Head On, Sideswipe, Rear to Side, and Rear to Rear only apply if First Harmful Event is Collision with Motor Vehicle in Transport (20). If First Harmful Event is Collision with Parked Vehicle (21), then Manner of Collision must be Parked Vehicle (06).

If First Harmful Event is not Collision with Motor Vehicle in Transport, or Collision with Parked Vehicle, then Manner of Collision must be Not Applicable (96).
