

Trafficway:

A trafficway is any land way open to the public as a matter of right or custom for moving person or property from one place to another.

Land way: the space within property lines or boundary lines of any transport way that is neither an airway nor a waterway

Includes:

Areas with guarded entrances, such as military posts or private residential developments, where guards customarily admit public traffic

Unpaved roads used to access specific areas, locations, or sites

Excludes:

Unpaved roads and trails used solely for recreational purposes

Parking aisles providing entry to parking spaces or stalls

Driveway to a residence or business
