

Driver License Eligibility & Reinstatement

To be eligible to reinstate the license with the 24/7 Sobriety Program, the driver:

- Must be convicted of a DUI or Metabolite Arrest.
- Must be ordered by the court into the 24/7 program or approved sobriety program.
- May not have any suspensions, denials, or revocations that cannot be cleared immediately.
- Must be 21 years or older.
- Can not have more than one refusal arrest.
- Must have served 90 days of revocation time for a refusal.

NOTE: CDL drivers may qualify if they downgrade to a Class D license. A skeleton record may be approved, but the individual will need to apply for a license.

1 - Request Eligibility Certified from DLD Public Assistance: Contact 801-965-4437

- <https://dld.utah.gov/handbooksprintableforms/>
- Government & Courts may request through the designated link
- Defense attorneys or drivers must mail in a DLD266m notarized, along with a \$10.75 check or money order to:
 - PO BOX 144501, SLC UT 84114

Once eligibility has been established, a judge can court order a person into the 24/7 program as part of their sentencing and may be in addition to other court-ordered treatment programs.

2 - Court sends order to DLD DUI Dept: Contact 801-965-4437

- Drivers & attorneys may not submit the order.
- Drivers must wait until the DLD sends the enrollment letter before being reinstated.

Make an appointment to reinstate: <https://dld.utah.gov/license-permits/>

3 - Driver contacts their County Law Enforcement
